Greetings, Musik-Stadt members!

I hope many of you are planning to enter the Musik-Stadt Poker Run sponsored by Porsche of Nashville on Saturday, October 24th. Dealer liaison Michael Smith has organized a great charity fundraiser benefiting Monroe Carell Jr. Children's Hospital at Vanderbilt which should be a lot of fun. We might actually have some cool weather by then!

Porsche of Nashville are hosting another Weissach Social on Saturday, October 3rd from 6:30 p.m. to 9:00 p.m. This one will feature the new Cayenne Electric, and they currently have a brand-new Turbo model on the lot. The previous Social in May had over 500 attendees and featured some really beautiful cars. I believe some of our members' cars will be in the upcoming event. Was out of town for the May event but not gonna miss this one!

Driver's Seat**
David Thomas,
President

Also, there is still time to sign up for the annual Musik-Stadt Oktoberfest on Saturday, September 26th, being held for the second year at 111 Motorcars. Activities chair Valerie Gillespie and her team have a delicious and fun event planned for all!

It was also great to see so many members at our September breakfast meeting at the Hilton Garden Inn, with upwards of fifty people enjoying breakfast and socializing, close to filling up our

space, but we can make it bigger!

On the home front our 2014 Cayenne Diesel is now at 164k+ miles! Took it in for oil

service and learned there was a major 160K mile service which it also needed. This was the biggest scheduled service I've ever had with any Porsche, but it was a pretty easy decision to just do it all given

the great service we have from this car. Basically, all filters, fluids, and a bunch of gaskets and seals were replaced,

putting us in great shape to drive it on a fall color trip up into West Virginia in October, and for many additional years of reliability. Oh, and I'm also planning to win the high-mileage trophy at next year's Concours!

I just know there are some awesome stories out there about our members' cars and experiences, and I encourage you to take a few minutes to write something up and submit to the Magazine. Editors Dave & Lori Bohnenstiehl will make it easy to contribute! Details are at the front of the magazine each month.

Enjoy those P Cars and be safe out there!

Well, last month was changing the oil on the Sonata; this month was working on the Jetta and 911. I only changed the oil on the Jetta as it was mostly up to date on all its shots. Although, the oil filter took some contorting to get to (and moving a wire harness). And, the 911 got its yearly oil and filter change; again staying with Amsoil and Mahle for the oil filter. I also changed the cabin filter. I went with Mahle for the cabin filter as well thinking that was what was in it. Instead, it was a Mann filter and likely sourced from FCP Euro as they sell that as part of their oil kit for the 997 cars. Looking at the Mann filter, I would choose that

the next time I replace the cabin filter... which will likely be never. Cabin filters, unless you're in an area that's really dusty, last years. And as little as I drive my car that filter will likely last until the end. I was really amazed at how easy and accessible it was! Unfortunately I was not able to get to my window washer pump. So I'll have to do that this fall or winter. It's the same thing I've said now for about 4 years.

Join us for another scenic drive through the backwoods of middle TN to arrive in Dover TN, and tour the historical Fort Donelson National Cemetery, Dover Hotel where Gen Buckner surrendered to Gen Grant to end the siege, and National Battlefield that overlooks the Cumberland River. Stuttgart Market Letter

by David K. Whitlock

After two consecutive months of declining sell-through rates, August steadied the ship and brought plenty of money with it. Online auctions generated \$65.5m from 745 Porsches on offer, with 73% finding new homes. That's a 9% increase in dollar volume over July despite eight fewer cars crossing the block and an unchanged sell-through rate (STR). Compared to August of last year, dollar volume jumped 67%, unit volume rose 22%, and STR edged up one percentage point. But of course, all eyes were on Monterey. With \$75.3m in sales from 152 Porsches on offer and a 77% STR, Monterey delivered a 38% increase in dollar volume over last year's \$54.5m, while unit volume climbed 27% and STR jumped nine percentage

points. More cars, more money, and a greater percentage finding buyers made for quite an August.

The top of the market wasn't the usual Carrera GT and 918 Spyder show, with just three Carrera

GTs and two 918s crossing the block in August. Instead, the big news came from Porsche's race cars of the 1950s and '60s, a group that has struggled to put sales on the board in recent years. This time, the majority found new homes, although prices came in below estimates.

Stuttgart Market Letter

Given how difficult this segment has been, that was probably to be expected. Leading the pack was a 1968 907 Langheck at Gooding that brought \$3,305,000, but the one that shocked me was a 1958 550A that sold for just \$1,545,000.

RUFs were another surprise, with only three of the seven on offer finding buyers. But among those that sold was a 3400 S, RUF's take on the 986 Boxster with a 3.4-liter engine mounted midship, that brought a very impressive \$220,000. While the RUF results were mixed, the 918s and Carrera GTs continued to command strong prices, and Singers appeared to hold fairly steady.

Among the modern 911s, Monterey was missing the usual GT3 RS 4.0, but that didn't stop us from getting a million-dollar 997. That honor went to a 2011 GT2 RS finished in Carrara White

over Black that hammered at \$1,100,000. Last month brought our first 997.1 GT3 in quite some time, but August brought out five, with an 8,000-mile example in Black selling for \$253,250. That's a healthy jump over the \$200,000 average we've seen over the past two months.

But the most surprising GT3 sale belonged to a 996. Finished in Speed Yellow and showing just 9,700 miles, this car was Porsche North Houston's 2025 Classic Restoration Challenge winner, and win it did, bringing \$351,500. A staggering number for a 996.2 GT3. Another impressive 996 result came from a 2002 911 Turbo Coupe with a 6-speed, the X50 package, and just 5,386 miles that sold for \$280,000.

Further back in the 911 lineage, the classics delivered a strong 72% sell-through rate. Leading the charge were a pair of Carrera 2.7 RSs, a Touring at RM

Stuttgart Market Letter

Sotheby's that brought \$896,000 and a Lightweight on Bring a Trailer that sold for \$805,000. But my favorite was the 1967 911S Coupe "Por She" art car. Purchased in the mid-1980s by artist Dr. Phyllis Yes, its exterior was hand-painted with a three-dimensional lace-style design. It was exhibited at the Bernice Steinbaum Gallery in New York City before being driven across the country as a traveling exhibition in 1985. This very different kind of Porsche art brought \$250,000.

Not to be outdone, the 356 market delivered a strong 76% sell-through rate. Monterey had plenty of special 356s on offer, but none more special than the 1952 356 America Roadster. The brainchild of American importer Max Hoffman, just 16 were built, with only 10 known to survive. Finished in Ivory over Green leather, this example is the only

one known to have been fitted with a racing-style fuel filler from new. It brought \$2,205,000.

August gave us plenty to talk about, from strong online results to renewed buying activity among vintage race cars at Monterey. Now the question is how much of that momentum carries into September. With Barrett-Jackson Las Vegas and Mecum Nashville on the calendar, we'll see whether buyers still have room in their garages, and their budgets, after quite a month.
